Tools: Git, GitHub, Firebase, Chrome dev tool, Figma, Vs Code, Netlify, Vercel.

P R O J E C T S:

1. Pet Adoption

This website allows you to adopt pets, purchase accessories and address animal issue. User can also sell animals and products with admin approval.

- This is our team project where we work with Next.JS.
- Three Roles: Admin, User, Seller. Users can become Sellers by submitting a request, awaiting admin.
- Sellers can add animals and products and can see transactions history.
- User also can post any animal related issue in our "Help Desk".
